

# Action steps

# **Attend the NYS Decommissioning Oversight Board (DOB) Meeting**

**February 2 at 7 PM**

**Public Comment, 3 minutes, in-person or online**

**In-person: Cortlandt Town Hall, 1 Heady Street, Cortlandt, NY 10566**

**On-line Public Comment: Go to <https://www.dps.ny.gov/indianpoint>**

# **From the experts...**

- **Dilution is not the solution for tritium**
- **Best possible, state-of-the-art air monitoring there is**
- **Total site tested for contamination**
- **No exemptions granted by the NRC to Holtec - emergency planning and wastewater radionuclides disclosure**

# **Legislative efforts and civic actions:**

- **Pass resolution at the municipal, county, and state levels: no radioactive wastewater in the Hudson, ever**
- **Ask federal officials to hold congressional hearing and Holtec for Nuclear Regulatory Commission (NRC) accountability**
- **Demand the state and DEC do their diligence with permits**

**Reach out to elected officials on the federal, state, and municipal levels**

**U.S. Senators: Schumer, Gillibrand, Congress member Mike Lawler**

**New York State Elected officials:**

**Governor Kathy Hochul**

**NY State Senators: Pete Harckham, James Skoufis, Rob Rollison**

**NY State Assembly members: Dana Levenberg, Kenneth Zebrowski, Chris Eachus**

**Regional and municipal elected officials:**

**County legislators in Westchester, Rockland, Orange, Dutchess, Ulster, Greene, Columbia, and Albany**

**Visit their web site, write them a letter, write a Letter to the Editor —  
Tell your neighbors what is happening!**
